STAT

Thank you for your letter of 27 June relative to the desire of your son to join us here.

We have his application papers but find, unfortunately, that at the moment we do not have an appropriate vacancy for him. You may be sure, however, that we will keep his name on our list of active prospects and should something suitable turn up at any time in the future we will get in touch with him.

It was nice to hear from you, and I regret that our present situation makes it impossible to give you a more favorable reply regarding your son.

With kindest personal regards,

Sincerely yours,

"s/Roscoe" - disp to ER 7/3/50
